Alive

Music: Gerwin Ruesink **Lyrics:** Gerwin Ruesink

Just staring out the window
With the bottle in my hand
Surviving on the memory
Of a love that I once had

My body is still hanging on
But the mind is almost dead
I'm wondering why the fuckin' hell
Things turned out so bad

But I'm alive
Still alive
I'm alive
Oh yeah

Oh waiting for the daybreak
Still the bottle in my mind
Hold on to the memory
Of the love I left behind

It's like it's ment to be this way
That time is on your side
It's harder than to be alone
Harder than I tried

But I'm alive
Still alive
I'm alive
Oh yeah

Oh, gotta do this all alone
Oh, gotta make it on my own
