**Breakin' The Silence**

**Music:** Gerwin Ruesink / Maurice Cramer / Marcel Geven **Lyrics:** Marcel Geven

You made me a believer  
Dare to wait for things to come  
A wounded soul is on his way  
To the island of the early mornin' sun

I found my way to break the silence  
A million miles from home  
Like a fire in the night  
I can feel it deep inside  
Again and again

Fears smashed me on the floor  
Tryin to make sense out of myself  
Don't touch me there cause it won't heal  
Bring me fields love and leave me there

I swallowed all my tears  
I was lost  
For all so many years  
But no I'm one
