**Cryin'**

**Music:** Marcel Geven **Lyrics:** Marcel Geven

You say  
I won  
A game still playin'  
Brings hell on earth

Sellin' peace  
With blood on blood  
Oh I try to understand

So I'm crying  
I'm cryin'

Same old story  
Only different days  
We changed our minds  
But we didn't change our ways

So I'm cryin'  
You make me cryin'  
Cryin'  
I'm cryin'

Tell me 'Mr. Niceguy' are you too blind to see  
Your words don't mean a thing to me  
Cold days are comin'  
Changes in the air  
We're on our way to the dark side of the moon

All these lies in my face  
I can't stand it anymore  
All these lies in my face  
Open up your eyes
