

Album: Breakin' The Silence - 2004

Daybreak

Music: Gerwin Ruesink / Marcel Geven / Maurice Cramer **Lyrics:** Marcel Geven

I touch your hair
Look into your eyes
And all I see is an ocean of despair

Let me show you heaven
Cause I can't leave you there
I swear, I will lead you through the night

Don't walk away
I won't let you down
Believe me I'll be your guide
When you need me I'll be there for you

Keep the dream alive
Feel the burnin' flames
Today's the day that we get close to life

There's a new horizon
Soon we will be there
I swear, I will lead you through the night

Don't walk away
I won't let you down
Believe me I'll be your guide
When you need me I'll be there for you

I can feel it comin'
Clean my memories
You're feeding my desire
My heart my destiny
