Feel The Life

Music: Gerwin Ruesink **Lyrics:** Gerwin Ruesink

Is this right?
Is this wrong?
Is it right?
Or wrong?

Well I know what i've been living for
And I know what i've been fighting for
Now I'm home again

Feel the life in me
Feel the love in me
Steal the night with me

This is right
This ain't wrong
What I wanted all along
Now I know what i've been fighting for
This is why I allways wanted more
But i'm home again

Feel the life in me
Feel the love in me
Steal the night with me

I've been searching for tomorrow
While I can find it all today

Feel the life in me
Feel the love in me
Steal the night with me

Feel the life
Feel the love
