**Higher Ground**

**Music:** Gerwin Ruesink **Lyrics:** Gerwin Ruesink

It's so much clearer now  
I am on higher ground  
It seems so easy now  
that I'm on higher ground

It's all so beautiful here  
On higher ground  
It's overrated but i'm bound  
To higher ground

And it heals me  
And it steals me  
And it shows me the way  
But it takes me  
And it breaks me  
And it blows me away

It's all so cold inside  
On higher ground  
I'm separated now  
from my higher ground

And it heals me  
And it steals me  
And it shows me the way  
But it takes me  
And it breaks me  
And it blows me away

It feels so empty but it's better  
I feel so lonely but it's better

Show me the way
